COMMIT TO THE SKILLS PLEDGE, COMMIT TO SUCCESS.

The Skills Pledge is:

- A voluntary, public commitment for all employers, to encourage and support their employees, to improve their skills and gain valuable qualifications.

- Open to all employers, of all sizes in the private, public and voluntary sectors.
- A way to access the support and advice of a skills broker, who will work with you to identify your skills needs, design a training package and identify funding that will best meet those needs.
